It was no thanks to the chief mogul in charge of the steam roller that Dr. Miner did not have a serious accident yesterday. The doctor fastened his horse on Like like street and while he was absent the steam roller came along. The horse is high spirited, and reared and plunged, but the roller did not stop nor was Dr. Miner called. The only injury done was a broken shaft, but it suggested that the people in charge of the roller hereafter pay some heed to what they are doing.
